1. Introduction

Welcome to Expacare, one of the UK's longest established international health insurance providers for **your** health insurance plan. These plans are provided by Expacare Limited acting on behalf of the **Insurer** and exclusively designed for and distributed by Securus International Limited.

The **benefits** are shown in the **Benefit** Table enclosed with this Guide. **Your insurance certificate** shows the cover that is available for **you**. As with any healthcare insurance contract, there are exclusions. These are conditions and **treatments** that are not covered and are listed in the Exclusions section of this guide.

This guide covers both **Group Policies** and **Individual Policies**. Some terms and definitions may vary between a **Group Policy** and an **Individual Policy**. Where this is the case, this has been clearly highlighted in this guide. Please also refer to **your insurance certificate** for confirmation of the classification of **your** policy.

We will do everything **we** can to help **you** and **your dependants** to get the most out of this important service by:

- › Providing a 24-hour help line for medical emergencies;

- › Negotiating direct settlement of **hospital** bills;
- › Providing an international **claims** management team who have the medical expertise needed to help **you** understand **your** local **doctor's** plan of care, and to support **you** in making important decisions about **your** healthcare in a foreign environment;

The cover provided shall be determined by reading this guide together with the Certificate of Insurance (the Certificate) issued to each **Insured Person**. Any **benefit** not shown in the Certificate is not provided.

The Insurance is effective only after the applicant has been accepted by the **Insurer** and becomes and remains insured in accordance with the terms, provisions and conditions set out in the Certificate and Rules.

The legal representative of the **Insured Person** shall have the right to act for an **Insured Person** who is incapacitated or deceased. **Benefits** are payable to the **Insured Person** or to the licensed providers of medical and dental care who provide the insured **treatments** and services to the **Insured Person**.

Benefits are limited to the usual **reasonable and customary** charges in the area where **treatment** is provided.

Benefit payments are processed by **claims** administrators, appointed by the **Insurer**, who specialise in medical **claims** administration.

2. Administration, rights and responsibilities

2.1. The contract

This guide, in conjunction with **your** application form, **your insurance certificate**, Membership Guide Supplement document and any Addendum attached makes up the contract between **you** /**your Sponsoring Organisation** and **us**, with the purpose of providing **you** with **benefit** when **you** need medical **treatment**.

Where this is a **Group Policy** it has been arranged through **your sponsoring organisation** who is approved by **us**. **Your sponsoring organisation** has agreed the rules of **your** membership and details of the insurance cover.

To fully understand **your** rights, responsibilities, what is covered, and what is not covered, **you** must look at:

- › this guide
- and
- › **your insurance certificate** where any exclusions or limitations in **treatment** or **benefits** that are specific to **you**, or any **dependants** included under **your** membership will be shown.
- › Membership Guide Supplement
- › Any Addendum attached

Your Agent/Broker can act on **your** behalf in relation to administration requests such as, but not limited to; changes in cover or cancellation of cover.

2.2 Membership eligibility

These rules apply to **your** eligibility to become a member of this plan (as the **Insured Person**), and that of **your dependants**.

- › In respect of an **Individual Policy** only **you** must be under 65 years old at the date **you** join in order to be covered. This does not apply to **DHA plans**.
- › In respect of a **Group Policy** only, **you** must be under 65 years old at the date **you** join in order to be covered without having **your** medical history evaluated. If **you** are 65 or over, **we** need to see **your** medical history. **You** will need to complete and return a "Medical Questionnaire for Applicants Aged 65 and Over" form. **We** will tell **you** about any excluded medical conditions on **your insurance certificate**.
- › For a **Group Policy**, **you** must be an active **employee** or a **dependent** of a covered active **employee** of the **sponsoring organisation** **we** have a contract with;
- › **Your dependants** must be covered under the same plan **benefit** **you** have, as the **insured person**.

- › **You** new born children shall be eligible for cover as a **dependant** on **your** plan from the date-of-birth, subject to receipt of a completed application form within 14 days of the birth.
- › Child **dependants**, aged 25 are eligible to take out a plan in their own right, whilst maintaining their original inception date, subject to receipt of a new application form, prior to the policy renewal date.
- › **You** and **your dependants'** cover starts on the **start date** shown on **your insurance certificate**.
- › A child, eligible for cover in their own right and not as a **dependant** on their parent's policy will be charged the minimum adult rate (18 - 25 age-band).
- › Membership may depend on local insurance licensing legislation in **your country of residence**.
- › Subsequent changes in cover can only be made at renewal.
- › **You** are obliged to meet local legislation requirements in **your country of residence** at any time before and whilst **you** become a member of this plan.
- › **You** are not eligible to join this plan if **you** live permanently in the USA.
- › **We** must receive premiums before the **start date** or the due date.
- › **We** will tell **you** about any excluded medical conditions specific to **you** on **your insurance certificate**.

2.3 Information that you provide to us – for consumer contracts

If **you** are an individual covered by this plan or an individual buying insurance outside **your** trade, business or profession, **you** must take reasonable care to answer all the questions asked by the **Insurer** and **us** in connection with **your** insurance, whether through a proposal form or otherwise, honestly and to the best of **your** knowledge, and provide complete and accurate answers. If **you** make a misrepresentation to the **Insurer** (whether innocently or otherwise), the **Insurer** may impose additional policy terms, or reduce a **claim** payment, or even to cancel the policy and refuse all **claims**. If **you** make a deliberate or reckless misrepresentation, the **Insurer** may cancel the policy and refuse all **claims**, and in these circumstances the **Insurer** will be entitled to retain any premium paid by **you**. **You** should note that failure to comply with a request at renewal to confirm or amend particulars **you** have previously given may amount to misrepresentation which could prejudice **your** insurance cover in whole or in part.

Where guidance is provided in relation to a question please ensure that **you** read this fully to ensure the correct answer is provided. If **you** are in any way uncertain about any of the questions asked, please seek further clarification from **your** broker or from **us**.

If **you** become aware that information **you** have given **us** is inaccurate, **you** must inform **us** or **your** broker as soon as practicable.

2.4 Duty of Fair Presentation – for business contracts

If **you** are an individual purchasing or renewing insurance in connection with **your** business, trade or profession, or **you** are a **sponsoring organisation** purchasing or renewing a **Group Policy**, **you** must be aware of the duty of fair presentation. This obliges **you** to provide accurate answers to all questions. Failure to comply with this obligation may entitle the **Insurer** to decline **your claim**, pay a proportionate amount of **your claim** only, or cancel **your** policy.

The duty of fair presentation, in relation to questions asked by the **Insurer**, is a duty to provide to the **Insurer**:

- › details of material circumstances which the **insured person** knows or ought to know, or
- › failing that, answers which give the **Insurer** sufficient information to put a prudent **Insurer** on notice that it needs to make further enquiries for the purposes of revealing those material circumstances.

A material circumstance is one which would influence the judgement of a prudent **insurer** (not necessarily the **Insurer** in question) in determining whether to take the risk and, if so, on what terms. Examples of such circumstances could be any ongoing serious medical conditions, or planned or pending medical **treatment**. Please note that these examples are for illustrative purposes only and are by no means exhaustive or conclusive.

It is important to understand who in **your** business has "knowledge" for the purposes of this duty:

- › If **you** are an individual buying cover in connection with **your** business, **you** will be presumed to know what **you** actually know and what is known by the individuals responsible for **your** insurance (such as **your** broker);
- › If **you** are a corporate entity, **you** will be presumed to know what is known by the business's "senior management" and the individuals responsible for its insurance (such as **your** risk management team and **your** broker). Senior Management means those individuals who, in connection with the risks to be insured, play significant roles in the making of decisions about how the **insured person's** activities are to be managed.

We will seek to agree with the **Insurer** in advance of any placement whose "knowledge" counts for the purposes of the duty, and will in any event provide **you** with guidance on this.

Please note that **you** will be treated as knowing:

- › material circumstances of which **you** (or the relevant persons identified above) have actual knowledge;
- › material circumstances which **you** suspect but **you** have deliberately refrained from confirming or enquiring about; and
- › material circumstances about which **you** ought to know (i.e. circumstances which should reasonably have been revealed by a reasonable search of information available to **you**).

This means that in some circumstances the responsible individuals will be required to make enquiries, and the information (and therefore the scope of those enquiries) may not necessarily be limited to that held by the business. **We** will provide advice and guidance on the nature and extent of searches that may be required to comply with the duty.

The duty of fair presentation continues up until the insurance has been concluded and 'resurrects' in the event of any amendment to the risk during the policy period or extension/renewal. It may also be that the terms of the policy include specific ongoing disclosure conditions or conditions which effectively extend certain disclosure obligations post inception of the policy. In completing a proposal or **claim** form or any other material document relating to an insurance policy and in providing information to or for **Insurer**, the accuracy and completeness of all answers, statements and/

or information is the **policyholder's** own responsibility and it is of paramount importance that all relevant information is provided and that it is accurate. Should **you** so require, **you** may request that **we** assist **you** by providing examples of the sorts of matters which ought to be disclosed as being material or arguably material circumstances, in general terms, or specific to **your** risk from the knowledge **we** gain from working with **you** to understand **your** risk.

In the event that there is a breach of the duty of fair presentation, **Insurers** are generally limited to "proportionate remedies", linked to what they would have done if the risk had been fairly presented. This may result in the imposition of different terms, or the proportionate reduction of **claims** where a higher premium would have been charged. In circumstances where **insurers** would not have entered into the contract on any terms they can avoid the contract and refuse all **claims**, but must return the premium. If the breach is deliberate or reckless **insurers** can avoid the policy, refuse all **claims** and keep the premium.

If **you** are in any doubt as to the scope of the duty of fair presentation or whether a piece of information ought to be disclosed, please do not hesitate to contact **your** broker or **us**.

2.5 Renewing your cover

This plan is a one-year contract renewable each year on the anniversary of the **start/enrolment date** by **you** if an **Individual Policy** and by **your sponsoring organisation** if a **Group Policy** (the premium rates in force at the time **you** or **your sponsoring organisation** renew, and any changes **we** have given **you** or **your sponsoring organisation** written notice of, will apply).

We will renew the plan when **we** receive the premium.

Changes in cover can only be made at renewal and must be advised to **us** in writing prior to the renewal date. Any changes requested by the insured will be subject to the Underwriter's acceptance.

The Underwriters reserve the right to amend or alter premiums and terms.

2.6 Ending your cover

We may end **your** cover during the term of **your** policy for **you** (as the **insured person**) and **your dependants** in the following situations.

If **you**, **your dependants** or **your sponsoring organisation**:

- › withhold relevant information or give **us** incorrect information;
- › make any false or fraudulent **claim**;
- › fail to provide any reasonable information **we** have asked for;
- › fail to pay the premiums due;
- › move to the USA;
- › move back to **your home country** on a permanent basis – unless you are Lebanese in Lebanon. (Cover can remain in force if **you** move back to **your home country** on a temporary basis, subject to approval from **Insurers**).
- › give threatening or abusive behaviour

For a **Group Policy** only, cover may also end if:

- › **Your sponsoring organisation** confirms **you** are no longer eligible for **group** membership;
- › **you** cease to be an **employee** of the **sponsoring organisation**.

For a **Group Policy**, **your sponsoring organisation** is responsible for telling **you** immediately if **your** cover has been cancelled.

We may decide to discontinue the plan or any part of it. **We** have the right to alter the terms of membership and the contract at any time.

We will not cancel **your** plan because of **your** age or health record.

We will, provided no **claims** have been made against the plan in the current year, refund the unused portion of the premium.

Any **claims** received after a refund will be declined.

If a policy is cancelled and a **claim** has been made then the full annual premium will be due. Any costs incurred in recovering due premiums will be the responsibility of the **policyholder**.

2.7 Your cancellation rights

You should make any request for cancellation of a policy to **us** in writing. **You** have a right to cancel **your** policy if it does not meet **your** requirements or for any other reason within 14 days of the date **you** receive **your** policy documents or the inception date, whichever is the latest. If no **claims** have been made **you** will receive a full refund.

You may cancel after the 14 days have expired. **You** may be entitled to a pro-rated refund if **you** have made no **claims**. No return of premium will be given in the event that any **claim** has been reported to the **Insurer**.

2.8 Liability

We shall not be liable to **you** for any loss, damage, illness and/or injury of any nature that may have occurred, arising from any act or omission carried out directly or through a third party, in connection with, or in the provision of the services as described in this document.

2.9 Local Taxes

The **policyholder** is liable for any local taxes due on the insurance premium unless these taxes have been shown on **your** invoice and paid. In these cases the **Insurer** will account to the local tax authorities for the tax due. For a **Group Policy** please refer to the Administrator of **your** Plan or contact **us**.

2.10 Medical Advice

You are responsible for complying with any medical advice/**treatment** given to **you** by **your** doctor or other treating healthcare professional.

2.11 Payments

We will only make premium refunds and **claims** payments when local and international regulation allows.

Expacare Limited is able to offer the choice of paying premiums on either a semi-annual or quarterly basis (frequency to be confirmed by Expacare prior to renewal of the policy). An administration charge of 2% and 4% respectively will be applied. These fees are not applicable when **Individual Policies** are issued to **policyholders** in the EEA.

In respect of **Individual Policies**, if **you** do not live in the EEA and are paying for **your** insurance via instalments then **you** will not

benefit from protections under the Consumer Credit Act or the Consumer Credit Sourcebook of the Financial Conduct Authority.

In the event that the value of **your claim(s)** exceeds the value of the remaining premium instalment payments, **we** may require the full annual premium to be paid before any further **claims** can be settled.

3. Making a claim

We have made claiming as easy as **we** can, and the process is set out on the claim form. Claim forms can be found on **our** website www.expacare.com. Please also refer to the "Your guide to making a Claim" document on **our** website. Please send **us your complete claim** as quickly as **you** can, but no later than 6 months after **you** started **your treatment**. If any required information is submitted later than 6 months following the start of **treatment**, **we** will not pay the **claim**.

We will only pay for eligible **treatment** received within the period of cover. **Benefits** are limited to usual, **reasonable and customary** charges (as determined by **us**) in the area where **treatment** is provided and is subject to the **benefit** limits as shown on **your insurance certificate**. The purpose of this plan is to provide **you** with **benefit** when **you** need medical **treatment**.

Processes for making **claims**, **pre-authorisation** and **guarantees of payment** are different if **you** have purchased a **DHA plan**. Please refer to 'Your Guide to Making a Claim' document sent with **your** Membership Guide for further details.

3.1 What information you need to supply

Refer to the 'Your Guide to Making a Claim' document which can be found on **our** website for full details.

It is important for **you** to know that **we** are only able to reimburse medical expenses when **we** have received:

- › a completed claim form
- › invoices (including a full breakdown of the costs of **treatment** received)
- › any additional information deemed necessary by **our** medical advisors to complete **our** assessment. This may include clinical photographs.
- › If **claims** have been paid by **you**, **we** will also require proof of payment.

We must receive the above information within 6 months of the **treatment** date.

These invoices and documents become **our** property and **we** reserve the right to store them in any durable medium.

It is important to note that **you** should retain all original copies of forms and invoices as **we** reserve the right to request these documents for audit purposes and request that **you** keep these for a minimum of 6 months after the **treatment** date.

We reserve the right to request that **you** attend a specialist/**doctor** of **our** choice for a second opinion.

If **your** course of **treatment** exceeds 6 months, please ensure **you** obtain and submit an interim invoice

If **you** are claiming for more than one medical condition, a separate claim form must be completed annually for each condition.

Wherever possible please use the claim form which **we** have provided in order to apply for reimbursement of expenses. This form must be signed by the person providing the service or **treatment** - Section B (eg **doctor**) and by the claimant - Section A (or **policyholder** if the claimant is a child). The **claim** form is available to download from **our** website www.expacare.com.

If **you** are claiming **Hospital cash benefit** a certificate confirming the **in-patient treatment**, the diagnosis, the date of admission and discharge will be required.

The **Insurer** shall have the right and opportunity through their medical representative to examine any **Insured Person** whenever and as often as may be reasonably required within the duration of any **claim**. In addition the **Insurer** shall have the right to require an autopsy in the case of death, where this is not forbidden by law.

We can make reasonable requests for information or proof to support **your claim**. The burden of proof is on the insured.

3.2 Claim Payments

We will normally reimburse invoices in the invoice currency.

However **we** can reimburse invoices in currencies other than the invoice currency. The preferred currency for payment should be specified on the claim form.

Normally reimbursement will be made to **you**. However, **we** can make reimbursement directly to the party issuing the invoice. This may be useful in emergencies or if particularly high sums are involved. If payment is to be made to a party other than **yourself** this should be indicated on the claim form (Section A).

We are unable to re-issue a cheque that was originally issued more than 2 years ago.

We will not be responsible for any bank charges (other than those charged by **our** own bank) or foreign exchange currency variances which may be applied during the **claims** process.

Any **claims** paid incorrectly must be reimbursed to Expacare by the **Sponsoring Organisation** in the case of a **group policy** or the **insured** member in the case of an **Individual policy**.

We will only pay for eligible **treatment** received within the period of cover and, the **geographic area** of cover shown on **your insurance certificate**. The purpose of this plan is to provide **you** with **benefit** when **you** need medical **treatment**. **Benefits** are limited to the usual **reasonable and customary** charges (as determined by **us**) in the area where **treatment** is provided.

3.3 Pre-authorisation of Claims

Specific procedures/**treatments** must be pre-authorised and agreed by Expacare before **treatment** can take place, and a written **pre-authorisation** from **us** is necessary. Upon contacting **us you** will be advised which documents **we** require in order to

authorise **your claim**.

The minimum information required in order for **us** to give **pre-authorisation** is:

- › Medical Diagnosis
- › Name of treating facility and doctor
- › Estimated costs
- › Estimated length of stay

Pre-authorisation must be obtained to receive **benefit** for the following:

- › **Emergency Medical Evacuation**
- › **Hospital treatment as In-patient treatment**
- › **Claims** likely to exceed GBP 2500 (or equivalent)
- › **Psychiatric treatment** (if covered)
- › **Out of geographic area cover for emergency treatment**

In case of **emergency** admission, **you** (or someone on **your** behalf) should notify the assistance company within 72 hours of **Hospital** admission.

Failure to comply will affect settlement of **your claim**. If **pre-authorisation** is not obtained, the **Insured Person** shall be responsible for the first GBP 1,000 (or equivalent) of each unauthorised event.

3.4. Guarantee of Payment (GOP)

If **you** require **in-patient treatment**, which must be pre-authorised, **we** can arrange to settle the costs directly with the **hospital**. This would normally involve **us** providing a '**guarantee of payment**' to the **hospital**, which the **hospital** accepts.

A **GOP** may be provided to medical facilities where the value of the **treatment** exceeds GBP 300 (or equivalent) and if the facility is prepared to accept **our GOP**.

All necessary documentation relating to **GOPs** for non-**emergency treatment** must be received at least 5 days before the admission date to allow time for the 'guarantee' to be placed. In an **emergency you** (or someone acting on **your** behalf) should notify **us** within 72 hours of the **hospital** admission.

GOPs can only be placed where **treatment** is due to take place within 30 days of notification. **GOPs** will not be placed where **treatment** is due to take place after the expiry of the policy.

GOPs are placed in good faith and if later found to be for **treatment** that is not eligible for cover then payment must be refunded by **you**.

Expacare will settle eligible charges directly. Any costs not covered (including **excesses** which are not paid by the member), which remain unpaid, will result in future **GOPs** being declined.

In situations where a **hospital** does not accept **our GOP**, **treatment** can either be sought at an alternative **hospital** or **you** would need to pay for the **treatment** and submit a reimbursement **claim** to **us** for these costs.

3.5 If your claim is covered by more than one insurance plan

If at the time of any **claim(s)** covered by this Policy there is any other insurance covering the same liability, the indemnity afforded

by this Policy will not apply except in the event that any limits afforded by such other insurance have been exceeded. Any amount in **excess** of such limit will be subject to the Limit of Liability as stated in the Membership Guide and on **your** Certificate. This process helps to keep down the cost of **your** insurance.

In these circumstances (where the originals have been submitted to another **insurer**) it will be sufficient to send **us** duplicates of the invoices and documents.

We will also require **you** to provide contact details for the other **Insurer**.

3.6. If your illness or injury was caused by someone else

If **you** are claiming for an injury or illness caused by another person (or other people), **you** must tell **us** immediately. **We** have the right to ask **you** to help **us** include the amount of **benefit you** are claiming from **us** in **your claim** against another person. This help may result in **us** prosecuting, defending or settling any **claim** in **your** or **your dependants'** name for **our benefit**.

3.7 Fraudulent Claims

If the **insured person** makes a fraudulent **claim** under this insurance contract, the **Insurer**:

- › Is not liable to pay the **claim**; and
- › May recover from the **insured person** any sums paid by the **Insurer** to the **insured person** in respect of the **claim**; and
- › May by notice to the **insured person** treat the contract as having been terminated with effect from the time of the fraudulent act.

If the **Insurer** exercises its right to terminate the contract:

- › The **Insurer** shall not be liable to the **insured person** in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to the **Insurer's** liability under the insurance contract (such as the occurrence of a loss, the making of a **claim**, or the notification of a potential **claim**); and,
- › The **Insurer** need not return any of the premiums paid.

Fraudulent **claims** – group insurance

If this insurance contract provides cover for any person who is not a party to the contract ("an **insured person**"), and a fraudulent **claim** is made under the contract by or on behalf of an **insured person**, the **Insurer** may exercise the rights set out as above as if there were an individual insurance contract between the **Insurer** and the **insured person**. However, the exercise of any of those rights shall not affect the cover provided under the contract for any other **insured person**.

3.8 Access to Medical Reports Act 1988

We may request reasonable information in support of **your claim** and this includes medical reports. The Access to Medical Reports Act requires that **we** advise **you** of **your** principle rights under this Act.

Option 1

You may withhold **your** consent to an application for a report. However, this may prevent **our** proceeding with **your claim**.

Option 2

You may consent to the application but indicate that **you** wish to

see the report. **Your doctor** will allow 21 days for **you** to see and approve it before it is supplied to **us**. If **your doctor** has not heard from **you** within 21 days, he or she will assume that **you** do not wish to see the report and that **you** consent to it being supplied.

When **you** see the report if there is anything in it in which **you** consider incorrect or misleading **you** can request (it must be in writing) that the **doctor** amend the report but he or she is not obliged to do so. If the **doctor** refuses to amend it **you** may:

- › Withdraw consent for the report to be issued;
- › Ask the **doctor** to attach to the report a statement setting out **your** view; or
- › Agree to the report being issued unchanged.

Note: The **doctor** is not obliged to show **you** any parts of the report which he or she considers might cause serious damage to **your** physical or mental health or that of others, or which would reveal information about a third party who has supplied the **doctor** with information about **your** health unless the third party consents. In those circumstances the **doctor** will so inform **you** and **your** access to the report will be appropriately limited.

Option 3

You may consent to the application for the report but indicate that **you** do not wish to see the report before it is supplied. Should **you** change **your** mind after the application is made and so notify the **doctor** in writing she/he should allow 21 days to elapse after such notification so that **you** may arrange to have access to the report (if the report has not already been supplied before **you** change **your** mind).

Option 4

Whether or not **you** decide to seek access to the report before it is supplied **you** have the right to seek access to it from the **doctor** at any time up to 6 months after it was supplied.

Your doctor may charge a fee to cover the supply of a medical report, which is not covered by **your** plan.

3.9 Arbitration

Any differences of medical opinion on the results of an **accident** or illness will be settled between two medical experts appointed, in writing, by the two sides to the dispute. Any differences of opinion between the two medical experts will be referred to an umpire who will have been appointed, in writing, by the two medical experts at the time of their appointment.

3.10 How can you contact us

You can contact **us** at any time, day or night. Full contact details can be found on **your** membership card and **claim** form, 'Your Guide to Making a Claim' document and on **our** website www.expacare.com.

This section explains what **we** mean by certain words or phrases in **your** plan documents in relation to the **benefits** on **your** plan.
